

Much More Than Radio!

October 2018

Dear Friends:

Larson Clan Growth

Just an update on the Larson clan that continues to grow and minister locally and beyond. Don is thoroughly enjoying the new family members God has given. For an only child who grew up without brothers and who had no sons, Don now has all the male companionship he wants in his son-in-laws and their dads! We are rejoicing in our Savior's blessings and trust that you are, too.

Kristen's Family Growth

Kristen and her husband, Jeremy are looking forward to welcoming a new addition to their family in January. We are told a granddaughter is on the way. Jeremy was asked to join our church staff as an assistant to our pastor in areas of outreach and follow-up. Kristen plans to be a stay-at-home mom after December.

A Guy Thing

Our grandson, Daniel, is learning so much at 20 months. He really enjoys having "Abuelito" (Grandpa) read to him when we get an opportunity to travel to Corpus Christi.

Katrina's Family Growth

Katrina is a stay-at-home mom and enjoying that. Katrina and JT, her husband, are looking to the Lord for guidance in raising Daniel to love and serve Him.

Celebrating and Sharing

The annual sharathon and anniversary celebration for KBNR here in Brownsville arrived before we knew it, April 26,27 and 28. What a glorious time it was to hear the testimonies of what God is doing in the lives of radio listeners.

The Work God Began in Roberto

Roberto was among the nearly 2,000 people who attended the Christian concert and evangelistic service that KBNR organized in the Olympic Stadium just across the border in Matamoros, Mexico during the sharathon. He originally began listening to KBNR in Matamoros two years ago. At that time, he could not keep a job because of his problem with alcohol and his family was falling apart. So, in desperation, he called KBNR on the free international phone line and talked to Moisés Flores, the station manager. Moisés then had the privilege of introducing Roberto to a personal relationship with Jesus Christ.

The Work God is Completing in Roberto

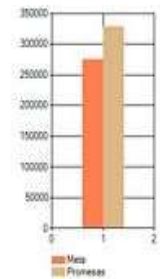

But the story did not stop there. Roberto continued to listen daily to the radio and began to grow in his new found relationship with Jesus Christ. Now, two years later, Roberto no longer has a problem with alcohol, his family is back together, he is involved in a local church and his boss at the maquiladora where he works considers him his "right arm".

The Generous Sharing of the Listeners

On top of the testimonies it was a joy to see the listeners' generous response by surpassing the goal for the station operating funds!!! Praise the Lord with us for His blessings and provision.

Quilters and Volunteers with Servants' Hearts

We are always so thankful for all the volunteers who give so freely of their time and talents to make it all possible. The quilting group that Dolores is a part of donated two Scripture quilts to the speaker and singer at the sharathon. The quilting group is moving ahead making more quilts and enjoying the fellowship of working together.

Need for God's Wisdom

There are several construction projects that have been realized and are in the planning, not the least of which is a complete overhaul or replacement of the radio station antenna tower. The location of the 300 foot KBNR tower, within 25 miles of the Gulf of Mexico at a latitude of 26 degrees, creates a corrosion hazard due to the warm, salt-laden air blowing in from the Gulf. The present tower which was erected in 1999 has become a maintenance problem. Please pray with us as decisions are made as to the next course of action.

We appreciate so much your prayers and financial support that make it all possible. God bless you, one and all.

Serving the King of Kings to advance His kingdom,

Don & Dolores
